### NORTHWEST INDIANA EDUCATION BRIEFS

**Emily Owen** (third from left), a seventh-grader at Franklin Middle School in Valparaiso and a member of the school's Builders Club, recently received a \$500 Student All-Star Grant from the Indianapolis Colts and Grange Insurance. To be eligible, applicants were required to partner with a not-for-profit group to complete a student-initiated community service project. Owen, partnering with Pines Village Retirement Communities, will lead the Builders Club in a landscaping project in the Pines Village courtyard. Pictured with Owen are (from left) Kay Frataccia, Franklin Middle School Builders Club sponsor; Renee Romanowski of the Builders Club; Marcy Owens and Nancy Stoltz of the Pines Village Landscape Committee; and Lauren Lamb, a Kiwanis Club adviser and Thrivent Financial for Lutherans employee. — PHOTO PROVIDED
